

**International cooperation (student and staff exchange) with  
Higher education institutions from Partner countries**

The University of Kragujevac participates in Erasmus+ mobility projects in the field of higher education between Partner countries. The following activities will be implemented by the University of Kragujevac and below listed partner institutions, in line with the principles of the [Erasmus Charter for Higher Education](#).

**Interested students and staff members of the institutions listed below are eligible to apply for an Erasmus+ mobility at their home institution.**

Upon the home institution selection, information on nominated candidates should be sent to the International Relations Office of the University of Kragujevac → [erasmusKA107@kg.ac.rs](mailto:erasmusKA107@kg.ac.rs)

All nominated candidates will receive, via email, relevant information regarding further steps and application process at UniKG.

For additional information for students, please, see our [E+ KA107 Incoming Student's Guide](#)

For additional information for partner institutions and their staff members, please, see our [Information Sheet](#)

\* Mobility type

SMS – Student mobility for studies

SMP – student placement mobility

STA – staff mobility for teaching

STT – staff mobility for training (**participation in the International Staff Week → May 2021, tbc**)

### Mobility information

|                              | Scholarship amount | Mobility duration                                 | Travel *  |
|------------------------------|--------------------|---|---|
| Students                     | 800 euros/month    | Min. 3 months, max. 5 months                      | reimbursement of travel expenses in accordance with the <a href="#">distance calculator</a> |
| Academic staff members       | 140 euros/day      | 5 days + 2 travel days (min. 8 hours of teaching) | reimbursement of travel expenses in accordance with the <a href="#">distance calculator</a> |
| Administrative staff members | 140 euros/day      | 5 days + 2 travel days                            | reimbursement of travel expenses in accordance with the <a href="#">distance calculator</a> |

\* The unit cost (reimbursement) refers to the return trip.

**Important note – INSURANCE:** all mobile participants are obliged to hold a proper insurance (travel, health, accident, liability) covering their entire mobility period in Serbia.

The Project is conducted by the International Relations Office of the University of Kragujevac with the support of the [faculty Erasmus+ coordinators and appointed team members](#)
