

ERASMUS+ KA103 MOBILITY PROJECT IN THE FIELD OF HIGHER EDUCATION

International cooperation (student and staff exchange) with
Higher education institutions from Program countries

The University of Kragujevac participates in Erasmus+ mobility projects in the field of higher education between Program countries. The following activities will be implemented by the University of Kragujevac and its partner institutions, in line with the principles of the [Erasmus Charter for Higher Education](#).

- Student mobility for traineeships between Programme Countries
- Student mobility for studies between Programme Countries
- Staff mobility for teaching between Programme Countries
- Staff mobility for training between Programme Countries
(through participation in the International Staff Week, May 2021 – tbc)

Interested students and staff members of the institutions listed below are eligible to apply for an Erasmus+ mobility at their home institution.

Upon the home institution selection, information on nominated candidates should be sent to the International Relations Office of the University of Kragujevac → erasmus@kg.ac.rs

All nominated candidates will receive, via email, relevant information regarding further steps and application process at UniKG.

For additional information for students, please, see our [E+ KA103 Incoming Student's Guide](#)

For additional information for partner institutions and their staff members, please, see our [Information Sheet](#)

The List of our KA103 partner institutions is available [HERE](#), and we are looking forward to have more partners in the years to come.

Important note – INSURANCE: all mobile participants are obliged to hold a proper insurance (travel, health, accident, liability) covering their entire mobility period in Serbia.

The Mobility project is conducted by the International Relations Office of the University of Kragujevac with the support of the [faculty Erasmus+ coordinators and appointed team members](#).
