Dear Sir/Madam,

I hereby confirm that, within my institution, I have been formally appointed as mentor to Ms. Aleksandra Sekulić under the framework of the joint mentorship program conducted by the University of Kragujevac and the University of Paris-Saclay. I fully endorse her doctoral project and express my strong support for its objectives and scholarly significance.

I am committed to guiding Ms. Sekulić throughout the preparation of her dissertation and to providing comprehensive support during her research. This support will be extended both through the exchange of knowledge and expertise, as well as within the research unit to which I belong.

Best regards,

Sandrine Clavel
