Subject: Manuscript ID JAUTO-16-0029.R2 now in your Reviewer Center - Proc. IMechE, Part D: Journal of Automobile Engineering (Revised Manuscript)

30-Jul-2016

Dear Dr. Lukic,

Thank you for agreeing to review Manuscript ID JAUTO-16-0029.R2 entitled "[REDACTED]" for the Proc. IMechE, Part D: Journal of Automobile Engineering. We would be grateful if you could let us have your comments on it and make recommendations on whether or not it should be published in the journal. Please supply as much constructive feedback as possible, and return your review within the next three weeks.

In your review, please answer all questions. On the review page, there is a space for "Comments to Editor" and a space for "Comments to the Author." Please be sure to put your comments to the author in the appropriate space.

In your review, please answer all questions. On the review page, there is a space for "Comments to Editor" and a space for "Comments to the Author." Please be sure to put your comments to the author in the appropriate space.

In order to ensure the highest quality of accepted papers we would like to ask you to assess this manuscript according to the following criteria:

ORIGINALITY - Please comment on the novelty and significance of the paper. Does it contain substantial new information that has not previously been published?

SCOPE - Is the paper relevant to the scope of the Journal of Automobile Engineering?

QUALITY, TECHNICAL DEPTH AND ACCURACY - Is the manuscript of sufficient quality to merit publication in the Journal of Automobile Engineering? Is there sufficient technical depth and analysis? Is the paper technically and factually correct? Are the conclusions adequately supported by the results?

PRESENTATION - Are the text, tables and figures presented in a high quality? Would they reproduce well in print form and on a computer screen?

You may access the manuscript and the reviewer form directly by clicking the following link:

Or, you may login to the Proc. IMechE, Part D: Journal of Automobile Engineering - ScholarOne Manuscripts site at <https://mc.manuscriptcentral.com/jauto>. Your case-sensitive USER ID is lukicj@kg.ac.rs. For security purposes your password is not listed in this email. If you are unsure of your password you may click the link below to set a new password.

https://mc.manuscriptcentral.com/jauto?URL_MASK=cebae66181b2446990bc2bd42d3bb681

When you log in please take a moment to update the keywords on your account so that we can more accurately match papers which fall under your particular areas of expertise.

If you wish to view the manuscript and the review form simultaneously, click on the HTML or PDF icons – the manuscript will open in a new window. Leave the new window open, switch back to the main window, and open the score sheet by clicking on the Score Sheet tab. Follow the instructions for reviewers provided in the ScholarOne Manuscripts site. I strongly encourage you to elaborate on your review in the space provided. Your specific comments will offer valuable feedback to improve future work. It is essential that you click the "Save" button if you wish to exit the review before you submit it to the Editor. Otherwise, none of the information that you have entered will be saved in the system. When you have completed your review and are ready to submit it to the Editor, click on "Submit."

All communications regarding this manuscript are privileged. Any conflict of interest, suspicion of duplicate publication, fabrication of data or plagiarism must immediately be reported to me.

Thank you for evaluating this manuscript.

Kind regards,

Sam Perkins
